PHILS SLAUGHTER CUBS

Chicago, August 8.—The Phillies fairly slaughtered the Cubs here today, hammering three pitchers for a total of fifteen hits and winning 16 to 3. Luderus knocked two homers during the slaughter, one in the first and another in the sixth. Alexander, for the visitors, pitched a nice game, keeping the Cubs' hits scattered except in the fifth and eighth, and striking out five and fanning four batters. The score: Philadelphia, Chicago.

IRON MAN JACK COOMBS READY FOR WORK

Jack Coombs, the "Iron Man" pitcher of the Philadelphia Athletics, arrived in the Quaker City on Monday, and immediately went to the Shibe Park, donned a uniform and indulged in a little workout with Jack Lapp, his battery mate. The other players looked on in satisfaction and agreed that Coombs "has everything he ever had." Jack says he has fully recovered and now feels better than he ever did. It is probable, however, that Connie Mack will not send Coombs into the box for some time as Connie does not care to take any chances at present. In the meantime Jack will take a daily workout and will be ready to jump in at any minute he is needed.

JOHNSON'S ELEVEN STRAIGHT

Officially Scores Make This Game Tie Joe Boehling's Previous Record.

Washington, August 8.—Washington won the opening game of the series against Cleveland here this afternoon 4 to 3 by a lively batting rally in the ninth inning, when a single by Williams, a pinch hitter, Moeller's sacrifice, Foster's double and Milan's drive to right field sent over two runs. Johnson to-day officially won his eleventh straight game, equaling the previous record established by Boehling, the Senators' young southpaw. It was given out that Johnson had won eleven straight when he beat Chicago last Saturday, but the official records disclosed that game as his tenth win in a row. Nick Cullip was saved time and again by the brilliant fielding on the part of Turner and Lajoie. Johnson pitched a steady game, and was hit hard in only one inning. The score:
